---

Organic fertilizer company, Fertoz Ltd ("Fertoz" or the "Company", ASX: FTZ) confirms that the Offer Document along with the Entitlement and Acceptance form pursuant to the Non-Renounceable Rights Issue announced on 8 March 2021 (Offer) was sent to all eligible shareholders on 16 March 2021.

Eligible Shareholders who wish to take up their entitlement have until the closing date of the Offer, being 5.00pm AEDT on Tuesday, 30 March 2021, to accept their entitlement in full or in part.

### Further information

For further information please refer to the Offer Document, which has been despatched and is available on the Company's website (<https://www.fertoz.com>) or contact the Company. As detailed in the Offer Document, the funds raised will allow the Company to significantly reduce the cost of production of many of the most popular fertilizer blends, finalise third party accreditation of the Company's carbon footprint, and facilitate the move to becoming at least carbon neutral. With phosphate prices rising considerably over the last few months (up more than \$200/t in North America), the Company is focused on reducing costs and increasing sales in both North America and the Asia Pacific region.

Authorised by the Board of Directors.
